

**Junior King's School Pre-Prep  
Free Early Years Entitlement for 3 & 4 Year Olds**

We are open 32 weeks of the year, term-time only and offer a weekly maximum of 15 hours' Free Early Education Entitlement vouchers to children of 3 to 4 years of age who attend our Nursery. We offer a morning **or** a full day placement and vouchers may be claimed to a maximum of 3 hours per morning session that your child attends. You may wish to consider a combination of mornings and full days. Unfortunately, we do not offer afternoon-only sessions.

Number of mornings attending	Free entitlement
3 mornings/full days (minimum expectation)	9 hours
4 mornings/full days	12 hours
5 mornings/full days	15 hours

Sessions are charged either as mornings commencing at 8.30am and finishing at 1.00pm, including lunch, or full day, finishing at 3.30pm (3.00pm on Wednesdays). In order to meet Kent County Council regulations surrounding the Free Early Years Entitlement vouchers, we also offer one, free 15-hour place in our Nursery for 3 hours, 5 mornings a week between 8.00am and 11.00am only. If this place has been taken up, no further completely free place will be available.

For children turning four during the year, we advise that you sign up for a minimum of 5 mornings or 3 full days in readiness for the Reception year ahead.

We are required by Kent County Council to inform you that we are unable to deliver the full free entitlement of 38 weeks a year at this setting, due to the constraints of our term dates. You will, therefore, only be able to access the free provision for a total of 32 weeks a year at this setting for the academic year.
